Dear Local Law Enforcement Partners,

Please be advised that Emmaus Homes provides critical in-home healthcare services to more than 250 adults with developmental disabilities. Emmaus Homes is a Medicaid provider, funded through the Missouri Dept. of Mental Health. As a result, our employees are authorized to travel outside of established curfews during the declared State of Emergency related to COVID-19. Our services are provided in the following counties: St. Charles, St. Louis, Warren and Franklin.

If you have any concerns or questions, please contact Dave Kramer, Emmaus Homes Chief Operating Officer at (314) 422-5737.

Thank you for your commitment to assisting as these individuals perform an essential public health function.
