CHIP IN FOR CHARITY

Golf is an independent game. Sure, you play with partners, but they aren't your teammates. We at Emmaus, see it a little differently. The best team formed in golf is between the player and the caddy. A caddy is there to help, support, and encourage their golfer with the same goal in mind: win the tournament.

For over 125 years, we have been doing the same thing. Emmaus supports adults with developmental disabilities live like you and me. Emmaus Direct Support Professionals are there to help, support, and encourage the women and men of Emmaus to reach their individual goals and dreams.

Join Emmaus for the return of the Emmaus Golf Tournament with Awards Dinner and Auction on Friday, April 16. With your support, we can continue to care for the whole person for their whole life.
