EMMAUS CLASSIC

Benefitting the Men and Women of Emmaus

The Emmaus Classic is a premier golf experience that brings together passionate golfers, corporate partners, and community leaders for a meaningful day on the course. Designed to balance competition, connection, and purpose, the tournament features a **shotgun start, lunch,** and engaging on-course experiences — including **interactive contests, a hole-in-one challenge, a golf ball launcher, a whiskey pull,** and a **50/50 raffle.**

More than a day of golf, **the Emmaus Classic directly supports the men and women of Emmaus.** Proceeds help fund programs and services that empower adults with developmental disabilities to live full, self-directed lives with dignity, independence, and strong community connections.

What began as a simple tournament has grown into a beloved event known for strong sponsor engagement, high-quality experiences, and meaningful impact. **Sponsors receive valuable brand visibility** while aligning with a mission that resonates across the community

We invite you to be part of the Emmaus Classic and help continue a tradition of impact, connection, and community. We look forward to welcoming you on the course.
